CRACK HORSES RUN IN \$15,000 RACE SATURDAY

The crack of America's best handicap horses will face the barrier to the finish in the great American National Handicap for a purse of \$15,000 at a distance of one and one eighth miles.

Forty nine horses have been nominated for this race and probably fifteen of the best of these will start in the big race. Interest in the race is intense all over the country and the east is sending its best representatives to compete against the best horses in the west.

From the east Joseph E. Widener, one of the leading horsemen of the country, will send Osmand and Chance Shot, for the big race. Jockey Earl Sande, considered by experts to be America's premier Jockey will ride one of the Widener horses in the big race pitted against the stars of the east will be the best horses that the west can produce and a hotly contested race is sure to result.

Chicago horsemen are entering the star performers of their stables in this rich race hoping to beat the east.

Among the Chicago horsemen who have nominated entries are Marshall Field III, S. W. Grant, Ald. John J. Coughlin, Fred W. Gruber, M. Lowenstein, Mrs. C. Lawrence, Stuyvesant Peabody, Van Crane and others.

With a good day and a good track probably the largest crowd that has attended a horse race in the Chicago district this year will be on hand to witness the big race.

The crowds during the present week have been large and are becoming larger daily, as the public becomes acquainted with the route to the new track and with the magnificent plant and fine treatment given the public there in every way.

The track is in fine condition and is becoming lightning fast. An innovation introduced this week by the management of having the horses saddled in front of the stand on the track instead of in the temporary paddock beneath the stands has made a tremendous hit with the crowds as the people like to see the horses led around, saddled and the jockeys boosted into the saddle before the parade that precedes the race.

The public has taken a great liking to this latest innovation and hope to see it continued.

So popular did the Monday last day prove, the management has declared today, another free gate for the ladies and there will no doubt be thousands of them on hand to see the races pick their favorites.

The ladies are proving just as good race fans as the men and seem to be just as good pickers when it comes to naming the horses that finish inside the money.

The public has taken very kindly and enthusiastically to the new track and everyone who attends goes away a staunch and hearty booster for this new race course which is being heralded all over the world as America's greatest race track. In addition to the great \$15,000 American National Handicap tomorrow there will be a first card of other high class races and the race fans are promised one of the most exciting days racing that has been seen anywhere this year.

The races at Arlington since the very first day have been hotly contested and the crowds have had one of the finest meets of the year in this inaugural fall meeting at Arlington Park.

High School Paper Honors a Departed School Instructor

The first copy of "The Signal," our high school paper which is written and edited by members of the high school, for this school year is just off the press and bears this information Issue No. 1 Vol. 2, which in itself, shows just how off this snappy little paper is. The entire first page of the first issue for this year is very fittingly dedicated to the memory of that lovely teacher who was so suddenly called to the Great Beyond, just at the beginning of this school year. The memorial shows the great esteem in which Miss Rudiger was held by the faculty and pupils that we take the liberty to repeat it for our readers:

In Memoriam

It is with great sorrow that we think of the passing of Miss Rudiger. Her life was one of cheerfulness and activity; her faithfulness and her loyalty to all the activities of the school will be sorely missed. We, the students and teachers, have lost a friend.

F. W. TAKE NOTICE!
The Senior Vice Commander-in-Chief, Comrade Carver, of Boston, will speak Saturday, October 22, in Chicago, as the guest of the department of Illinois.

Dinner has been arranged to be held at 7 p.m. in the Terrace Garden, at the Morrison Hotel, at \$1.25 per plate, in honor of his presence, and to enable him to meet as many of the comrades in the department as possible.

The department commander receives as many as possible to present to meet the new Senior Vice Commander-in-Chief, and Arlington Heights Post 981 should show it well at this time.

Please turn in your reservation at the earliest possible moment.

BRING THE LADIES!

—Paul Arneman, Commander.

BOY SCOUT NEWS

SCHATTE BOUND OVER TO GRAND JURY BY JUDGE

The leadership training course was opened Wednesday with a banquet at the Mary Wilson house at Park Ridge. The men showed real interest and we expect more enthusiasm at the coming meetings.

A new troop has been organized at Norwood Park under the scouting master of Mr. Ernest Liese. There are 11 members. The boys are just more than doing things and it will not be long until they begin to show up in the council.

We will have a court of honor regularly every month. One of the aims which we have for the year is to have every boy pass at least one test a month. Troops are beginning work for points for the next rally to be held at Palatine in February. Up to date Troop 8 of Arlington Heights is leading with 500 points.

Last month the troop was invited to a very fine dinner served by the capable hand of Mrs. Adams. After the dinner the boys had a regular meeting in the woods near there. Executive Landane, who has been acting as scoutmaster in the absence of the previous one, gave the boys a very inspirational talk after which the boys discussed the Order of the Arrow. The meeting was brought to a close with a riot of games and fun such as might have been expected in their woods environment.

WHAT IS SCOUTING?

The third step in the advancement of a scout is known as first class. After sixty days' service as second class scout, a scout, may, upon passing the following tests to the satisfaction of local scout authorities, be enrolled as a first class scout and entitled to wear the first class badge.

1. Swim fifty yards.
2. Earn and deposit at least two dollars in a public bank.

3. Send and receive a message by semaphore, including conventional signs, thirty letters per minute, or by the general service code, sixteen letters per minute, including conventional signs.

4. Make a round trip alone (or with some other scout) to a point at least seven miles away (fourteen miles in all), going by foot, or rowing a boat, and write a satisfactory account of the trip, and things observed.

5. Review second class first aid requirements. Describe methods of panic prevention, what to do in case of fire, ice, electric or gas accidents; what to do in case of mad dog bites, or snake bites. Demonstrate the treatment, including dressing if necessary for sunburn, frost bite and freezing; also demonstrate the treatment for fracture, sunstroke, ivy poisoning, exhaustion, bee sting, nose bleed, earache, grit or cinder in the eye, stomachache; transportation of the injured; demonstrate the triangular bandage; transportation of the injured on the head, eye, jaw, arm, chest, fractured rib, hand, hip, knee, ankle, and foot. Demonstrate how to make and apply a tourniquet.

6. Prepare and cook satisfactorily, in the open using camp cooking utensils, two of the following articles all may be directed: Eggs, bacon, hunter's stew, fish, fowl, game, pancakes, hoe-cake, biscuit,hardtack or a "twist," baked on a stick; explain to another boy the methods followed.

7. Read the map correctly and draw from field notes made on the spot, an intelligible rough sketch map, including their proper marks, important buildings, roads, trolley lines, main landmarks, principal elevations, etc. Point out a compass direction without the help of the compass.

8. Use properly an ax for fellng or trimming light timber; or produce an article of carpentry, cabinet-making, or metal work made by himself. Explain the method followed.

9. Judge distance, size, number, and weight within 25 percent.

10. Describe full from observation ten trees or plants including poison ivy, by their bark, leaves, flowers or six species of wild birds, or six species of native wild animals, and name and describe three constellations of stars.

11. Furnish evidence that he has practiced the scout law, oath.

The local gun club have announced a merchandise shoot that will be held on their grounds Oct. 30th. They are going to bar Walter Witt from taking part. They claim that Walter was in attendance at such a shoot at Barrington last Sunday and won everything except the club house.

John Reuse is back in Palatine after a busy summer with the Gorsline stable. The big cities visited were Toledo, Lexington, Louisville, Springfield, Davenport and other places equally as important in the harness race world. Dr. Gorsline had four horses in his stable this year and reports a successful season.

Our police department recently made a count of the number of cars which passed a certain corner on a Sunday on the Northwest Highway. The total was 1400. Chuck Ost is authority for the statement. He suggests that some body figure out how far apart those cars traveled.

Mrs. W. P. Schirding and daughter, Mrs. Charles Heezon entertained old class mates of Mrs. Gerald Denebink nee Viola House of Pasadena, Cal., Monday with a party. Viola as we all remember left here about 12 years ago. Mr. Denebink and Miss House were married Sept. 24 and are on their wedding trip.

Fred Westrope, nephew of Walter Westrope is making his home in Palatine for a time. He has come direct from the oil fields of Montana, which are only two years old. There are about 75 wells in operation, all leased by the same company. He says there is more excitement around the local race track than there is around those oil wells.

Daily visitors at the race track report that Chas. Kennedy, who managed the Cook County Fair, one year is checking Arlington Park in behalf of the State of Illinois. In other words Charley is seeing to it that Illinois gets its share from the parimutuel tickets and a percentage of every paid admission. He has been a frequent visitor around the business houses of Palatine.

Schmidt Bros. are making improvements in their market, including the installation of a new refrigerator show case, similar to the one they have been using. They are also installing a cashier's cage and bookkeepers desk which will tend to speed up the service. The trade at this market is so heavy that the additional equipment is necessary. With a young lady to handle the bookkeeping the work will be greatly speeded up.

The two Walters of the gun club, Walter Witt and Walter Senne, journeyed to Geneva, Sunday to participate in an inter-county championship shoot. Owing to a few numbers in attendance the meet was postponed and they returned home, stopping off at Barrington long enough for Mr. Witt to win two hams, 25 pounds of sugar and a sack of flour. Had the shoot been held as scheduled he would have brought home a silver cup, but then a person can't eat cup, anyway.

George Wilson, Sentinel, Palatine Chapter, as Sentinel.

Sallie Volz, P. M. Palatine Chapter, as Guest of Honor.

Ruth Anderson, member of Park Ridge Chapter, as Soloist.

Sister Jasper enjoyed a splendid attendance on this, her first official night, in the East and the visitors present were a representation of many chapters. Aside from the chapters being represented by officers filling station, there were visitors from Niagara and several other Chicago Chapters. Sister Jasper also had the pleasure of welcoming her mother and sister.

After the meeting the guests were invited to the dining room where the refreshment committee was prepared to serve the salad, cake and coffee. Both chapter room and dining room were fittingly decorated. Special happenings during the past month and occasions where the worthy matron, worthy patron and our instructress have served other chapters were:

Sept. 13—W. M. Sister Lilly Jahn as W. M. at Park Ridge chapter; W. P. Brother Jahn as acting secretary. All but two officers from Palatine chapter were present to escort Sister Jahn, as were many of the members.

Sept. 19—W. P. Brother Richard Jahn as Worthy Patron at Lounsherry chapter, Barrington.

Sept. 23—W. M. Sister Lilly Jahn as W. M. at Glynnview chapter. W. P. Brother, Richard Jahn, as acting treasurer.

Sept. 27—Brother George Volz, P. P. Palatine chapter as worthy patron at Wheeling chapter, A. M. Sister Mabelle Jasper as Adah.

Democratic Women Organize For Dry Plank In Platform

The officers of the National Woman's Democratic Law Enforcement League have organized in several of the states to protest against a wet plank in the Democratic platform and to oppose the nomination of wet candidates for office especially for the presidency of the United States.

Men who oppose the enforcement of the prohibition amendment are called nullificationists.

Illinois dry Democratic women will hold an all day conference in Springfield at the Banquet Hall of the Abraham Lincoln Hotel October 24, at the call of Mrs. Amos W. Walker of Chicago, Mrs. Howard T. Willson of Virden, Mrs. Mary Ward Hart of Benton, Mrs. Catherine Waugh McCullough of Evanston, Mrs. George Busey of Urbana, Miss Elizabeth Mayo of Pittsfield and Mrs. Lizzie Sharp of Melvin, who are a volunteer committee who desire to make audible the wishes of Illinois Dry Democratic women.

Miss Edna E. Barnett of Chicago is acting as temporary secretary and Mrs. Edgar Brown of Paris as temporary treasurer.

The chief speakers will be Mrs. Jessie W. Nicholson of Maryland, the National League President and Mrs. Edward Thurman Smith of Missouri the National Treasurer.

Several Illinois counties have already organized a dry committee but other dry Democratic women from counties not organized will be welcome.

THE COP WAS SURPRISED WITH A LAW SUIT

That Cleveland man was awarded nearly \$4,000 damages because of a false arrest following the discovery by a policeman that the man and his wife were spooning in an automobile on a downtown street, now has a reputation that is somewhat unique. It is most extraordinary for a man to show his wife so much attention in an automobile. The wife in this case must have been as much surprised as the policeman was.

NEWSPAPERS' VALUE RECOGNIZED

A. A. Anderson, secretary of the Pacific Coast Building Loan Association, in an address at the Pacific States Savings and Loan conference, recommended newspaper advertising as the most effective and economical means of reaching the public. Further, he urged that the building-loan associations throughout the United States should have a fund of at least \$1,000,000 for such campaign.

As Mr. Anderson knows, it has been fully demonstrated that the newspaper stands by itself as a carrier of messages to the greatest possible number of people. It is the only medium that is sure to reach the citizens of a community and be read. This fact is being more fully appreciated every day.

BEST TIME TO WORK

The months of autumn are the most favorable time of the year for work in most localities in this country. The heat of summer has gone, and the temperature is moderate and life-giving. The languors of the spring air are missing. The atmosphere has an invigorating crispness. People have not much excuse for not taking hold in earnest in the favorable climate of Illinois at any time of year, and anyway these conditions are now ideal.

It is a good time for renewed vigor in all our enterprises. We need to put a little more energy into solving the problems of our work and meeting its demands.

There will be a coffee party at the Schmidt market next Saturday in conjunction with the Chase & Sanborn people a demonstration of that brand of coffee will be held Oct. 22. Ladies are asked to come down and do their own buying that day, instead of using the phone. Much as the Schmidt boys desire to give service, they can not send up a cup of hot coffee over the phone.

Next week is tooth brush week at the Toynton Pharmacy. Toothbrushes usually are the most neglected implements of the bath room in that many users "hold on" to the old ones until they cease to become an asset to cleanliness. The advertising columns tell about the special offer.

Lucky is the man who has a warm garage in which to keep his car the coming winter. Every car owner is not lucky and for these Drewes & Johnson announce in the advertising columns of this issue that they are prepared to contract for the storage of a limited number of cars.

They have installed a new heating plant and their garage is conveniently located.

Rabbit Dinner

While touring in northern Wisconsin one night two big rabbits ran into the road in front of my machine. They were blinded by the bright light from my headlights, and it was an easy matter to get out and catch them both. I had a good dinner the next day.

How "Fly-Leaf" Originated

A fly-leaf is a blank leaf at the beginning or end of a book. It was suggested by an old noun, "fly," which means something attached along the edge only.

Warm Winter Clothing

For Winter Wear

We announce the receipt of a special line of outdoor clothing for men and boys.

Of particular interest are the leather coats \$11.50 - \$13.50

These coats are light in weight, but give the warmth that a working man needs. The coats are good enough to wear anywhere.

Slackers for men is another line that we have introduced. They protect the health in the bad fall weather and at the same time are light in weight.

Mrs. Emmaline Frahm gave a very good achievement program Friday night at her school, corner Irving Park and Wolf roads.

A Fall Frolic will be given at the Club House on Schiller and Ruby streets Saturday evening, Oct. 22. The Forris orchestra will furnish the music, and you know what that means. Come and have a pleasant evening.

A petition to pave Schiller boulevard was handed to the Village Board Monday night.

It would seem almost too good to be true if this whole village could be paved next year. We need the improvements, indeed, we must have them, if we expect people to come here to build homes. Most of the surrounding suburbs have paved streets, ornamental lights, shade trees, and parks, naturally those suburbs attract the home builders. The days of "pioneering" are past. We must offer real tangible inducements. Why not put on the old catalpa stumps about town and take steps to have all telephone and electric poles placed in the alleys.

G. S. Brown, conductor on the C. M. & St. P. R. R. between Manheim yards and Savanna, has moved to Franklin Park, and finds it more convenient than living at Benerville. He is occupying the flat above F. Francis' shop now and Heuber & Hutchinson's plumbing shop.

The Royal Neighbors Camp of Franklin Park are giving a dance Saturday evening, Oct. 29, in the club house, corner of Schiller boulevard and Ruby street. Keep this date open and go and spend a pleasant evening with your friends. Admission 50 cents. Mrs. R. Fife still has a few tickets. Music furnished by Francis Faris' orchestra.

The Board of Local Improvements of the village of Palatine met Monday evening and passed the second resolutions necessary to the installation of sewer and water connections in Arthur T. McIntosh & Co. Plum Grove Road development.

The meeting was for the purpose of a public hearing on the matter and as no objectors appeared the board proceeded to approve the specifications as already drawn up and authorized the drawing up of ordinances for the improvements to be submitted to the board of trustees at the next regular meeting of the board.

The installation by special assessment proceedings of sewer and water connections is a new innovation in Palatine.

This is the first time that these improvements have been put in by special assessment, in all other cases the property owners have been required to pay cash with order for such work.

The getting of this work done by special assessment at this time is in preparation for the paving of the Plum Grove Road subdivision next spring. Having the sewer and water stubs in ahead of time means that the ditches will have ample opportunity to settle and eventually be clear sailing for the paving gang when the work starts in the spring. With the paving of the Plum Grove road subdivisions and possibly others next spring Palatine will continue the improvement program which in the past few years has put this city on the map.

Took Name From Paint

The White House gets its name from the fact that after the first executive mansion, which was of buff freestone, was burned by the British in 1814, the walls were covered with white paint to hide the traces of fire, according to Lib-

erty.

Over-Generous Souls

Origin of Word Canada

The word Canada is derived from the Huron-Iroquois Indian word "Kanata" meaning a collection of huts. In Jacques Cartier's time the territory on the north side of the St. Lawrence river, from Hochelaga, now a suburb of Montreal, to the gulf, was apparently divided into three districts—Hochelaga, Canada and Saguenay.

It is here for the first time we meet the name now borne by the Dominion.

RACE TRACK BUSINESS THIS WAY

Will Arlington Heights please sit up and take notice that all of the business at Arlington track does not come their way. A survey of the local business houses in Palatine reveals the fact that a good share of the jockeys and others favor Palatine and this village is benefiting by the business they bring here.

The greatest increase is perhaps noticeable at the local post-office, where the money orders are double the usual number and reach as high as 60 to 70 a day. Postmaster Hitzeman has not enough boxes for the permanent residents and is nearly swamped by the people who call for mail under general delivery.

Otto Schroeder is another who has grasped the opportunity before him and has a good trade in medicine for the horses.

Dede's Eat Shop is another place that is rushed with the new business.

Albert Russell is painting the woodwork on his house, corner of State road and Euclid avenue.

Several members of the A. F. & M. will attend the dedication of Ravenswood Masonic Temple, corner of Wilson and Ashland avenues, Saturday, October 22 at 3 p. m.

Arthur McElhose and family have returned from Wisconsin, where they attended her brother's wedding.

Mr. and Mrs. Herman Toepper will make their home in this community again, having moved here from Clyde, Ohio.

ST. PETER'S LUTHERAN

Our newly organized Walther League held its first educational meeting last Monday evening. An encouraging number of young people, both Juniors and Seniors, were present. It was particularly gratifying to see several older people in our midst, interested in the work of the society.

The time was devoted to the singing of Gospel hymns, the discussion of several timely topics and the study of a portion of the book of Acts. In these days of seeking after thrills, it was certainly a pleasure to hear Christian young people engaged in serious study of the old Bible.

We are sure that all who attended this first meeting enjoyed the company who appreciates the blessings of Luthers stupendous and heroic labors will avail himself of this opportunity to hear a lecture on the grandest hymn penned by the reformer.

The executive board and the members of the various committees of the Walther League, will meet in the school Monday at 8 p. m. We look forward to a hundred percent attendance on the part of our officers and leaders.

Sunday morning saw the opening of the first session of our Sunday school. We realize, of course, that the brief instruction received in such a school cannot compare with the thorough religious training offered in our parochial school. And yet, we contend, that every Lutheran Christian, who is interested in the spiritual welfare of all children, will endorse the Sunday school movement as a field which promises a rich harvest. As a church, we must reach out and provide religious training, also for such children who are not enrolled in our day school. Therefore we take this means of bringing our Sunday school to the attention of the religious public. You may safely place your child into our spiritual care and rest assured that we shall strive to promote its highest welfare.

The subject of Sunday's sermon: Human Welfare First. You are cordially invited to attend our services at 11 a. m. In the mad quest for thrills and luxuries, do not fail to seek the higher things of the soul, which alone make life worth while. When the glitter and tinsel of this world passes away, these things shall endure to all eternity. Go to church on Sunday for your own sake.

NOTICE

The Palatine Infant Welfare Clinic, will hold the next meeting on Tuesday, Oct. 25, from 1 to 3 p. m., in the office of the village clerk, Mr. Hart and village treasurer, A. G. Smith, in The Schroeder building. Dr. Louise Koester of the Mount Prospect district is the examining physician and the public health nurses of Cook county are in charge.

The reason for the change in the meeting place, is on account of the paving of the Plum Grove Road subdivision next spring.

Having the sewer and water stubs in ahead of time means that the ditches will have ample opportunity to settle and eventually be clear sailing for the paving gang when the work starts in the spring.

With the paving of the Plum Grove road subdivisions and possibly others next spring Palatine will continue the improvement program which in the past few years has put this city on the map.

RED ARROW AUCTION

THURSDAY, OCT. 27

The next Red Arrow Auction will be held at the Sieburg drug store Thursday, Oct. 27, at eight o'clock. All of our readers probably know what a Red Arrow auction really is. The Red Arrow stores in Arlington Heights take this method of presenting to their customers a lot of valuable merchandise. The customers compete by spirited bidding and it is a lot of fun for the spectators as well as profitable for the bidders. If you are not fortunate enough to own any Red Arrow money, come down anyway.

Never Alone

The man who lives under an habitual sense of the divine presence keeps up a perpetual cheerfulness of temper, and enjoys every moment of the satisfaction of thinking himself in company with his dearest and best of friends. The time never lies heavy upon him; it is impossible for him to be alone.

—Joseph Addison

Why, Indeed

Friends and neighbors celebrated the birthday of Mrs. B. Spring, Oct. 18, which was a very splendid occasion, with everybody happy telling stories and playing games.

After a midnight luncheon, which was served by Mrs. G. Spring, the party left wishing her good luck with many happy returns of the day.

In the pretty home of Mr. and Mrs. Louis Schoenbeck was arranged a complete birthday surprise for Mr. Schoenbeck, Oct. 17, a well known and always accommodating and helping neighbor and citizen.

Mr. Schoenbeck has been so much a part of Schaumburg, his old schoolmates and friends will be interested to hear of the happy affair.

The guests assembled, numbered about 36, who were entertained with refreshments and games, which were furnished by Mrs. Schoenbeck and children. That soon gave place to his usual happy mood and no one more heartily enjoyed the evening's merrymaking than Mr. Schoenbeck, the guest of honor. Only relatives and neighbors were present.

It was a delightful family affair and we join Mr. Schoenbeck's many friends here in wishing him many happy returns of the day.

A delicious supper was served at midnight and all went home happy leaving Mr. Wm. Flentge and F. Hecht as champion solo players.

Salge-Seek Wedding

A beautiful wedding took place at the home of Mr. and Mrs. Fred Salge in Schaumburg at 11:30 a.m. Saturday, Oct. 15, when their eldest daughter, Clara Salge, became the wife of Herold Seek, eldest son of Mr. and Mrs. Aug. Seman of Elmhurst. The bride was gowned in White Satin trimmed with beads and veil four yards long. She carried a bouquet of roses. Miss Awinne, her sister, was maid of honor, dressed in blue velvet dress, carried a bouquet of roses. John Seek, the groom's brother attended as best man. Rev. Theodore of the Schaumburg St. Peter's Lutheran church officiated. After the ceremonial a luncheon was served by the bride's parents, whence the wedding party proceeded to Elmhurst to the groom's parent's home, where the rest of the festivities were celebrated with singing and telling stories, and a fine dinner served by Mr. and Mrs. Aug. Seman, parents of the groom. Everyone went home wishing the couple much good luck for the future.

Minnie Schoenbeck Becomes the Bride of Arthur Flentge

A very pretty wedding took place Saturday afternoon when Miss Minnie Schoenbeck, daughter of Mr. and Mrs. Louis Schoenbeck of Schaumburg, became the bride of Arthur Flentge, son of Mr. and Mrs. William Flentge of Hanover township. The wedding service was read at 2 o'clock at the St. Peter's Lutheran church, Schaumburg; the double ring service being used. The wedding march from Lohengrin was played by Teacher Meinken, when the bridal couple and Miss Marion Sarsoun were their attendants entered the church in an old fashioned way, like the days gone by. Elvira Kastning and Ruth Heine acted as flower girls, they were both charming in frocks of yellow and blue. The bride was most beautiful in a dress of white satin with white slippers to match, the dress was trimmed with lace and rhinestones. Her long embroidered veil was caught at the head in a close fitting cap effect, with clusters of lillies of the valley and rhinestones. Her bouquet was of white bridal roses and lillies of the valley. Laura Flentge, a sister of the groom was the maid of honor. Henry Schoenbeck, brother of the bride, served the groom as best man. Miss Flentge the maid of honor, was lovely in a dress of pink georgette trimmed with silk lace and rhinestones she wore a head band of silver blossoms, her bouquet was of pink tulip blossoms tied with pink tulip ribbon. Misses Martha Schoenbeck and Alma Wachmann cousins of the bride and Amanda Hecht, a niece of the groom, and Elsie Heine, a cousin of the groom, were bridesmaids. They all wore very charming frocks of georgette, and colors of the rainbow, and carried arm bouquets of mixed flowers tied with tulip ribbon, and all wore head bands of silver blossoms. The groomsmen were, Edward Flentge and Walter Heine, cousins of the groom, also George Wachmann and Albert Drewes, cousins of the bride. After the ceremony a wedding dinner was held at the home of the groom's parents, for all the relatives and friends of the bride and groom lots of luck and happiness. Mr. and Mrs. Arthur Flentge will reside at the home of the groom's parents, for the present.

Rev. Render, pastor of the First Evangelical church was ill a few days last week. He recovered in a short time.

The Ladies Aid Society of the First Evangelical church, held an impromptu meeting at the home of Mrs. Carl Petersen, Oct. 13.

Harry Floyd was called to Iowa last week by the sudden death of an aunt. The news was quite a shock to him.

Mrs. Fred Elfring, Sr., has been ill.

A Glee Club was organized in the high school Oct. 14. Several girls took part in the try-outs, about twenty of these were chosen to be members of the club.

Mrs. A. P. Hein, Orchard avenue, had a birthday Sunday, Oct. 16. Her sister from Jefferson Park came to help her celebrate the occasion.

Bensenville is rapidly coming to the front. The high school has been allowed to enter the Northwest conference. That means more and greater effort is to be shown in the field of athletics.

Mrs. W. A. Swanson of Chicago visited Mrs. B. I. La Salle on Ordard avenue Oct. 10.

Mr. Potter, Garden avenue is soon to have a birthday. Several of his friends are planning to give him a grand celebration; an affair that he will not forget for many a day.

Mrs. LaSalle has had her little niece from Texas as her guest. She left a few days ago for a brief sojourn in Wisconsin before her return home.

The first issue of the Bensenville high school paper, "The Signal," came out Oct. 17. It was full of both humorous and educational articles. Anyone desiring to subscribe to the paper had better do so soon. The subscription price for the school year is \$7.50.

Mr. Braber, one of our Bensenville butchers, had a narrow escape one day last week. His truck stopped dead on the railroad track just as a train was coming around the bend. Mr. Braber had the presence of mind to jump from the machine. The car was in no condition for further use after the train had collided with it.

Bensenville high school football team went to Franklin Park and played a game Saturday. Our team was defeated 14 to 0 but they felt that they did as well as Wisconsin and several other big college teams, and are not a bit discouraged. They are more determined than ever to work harder and work up a more perfect organization as they go along.

The Geo. King family left Oct. 17, for their long journey to Florida. They sold as much of their furniture as possible, and put the remaining household goods in storage.

Jim Tomchek has changed his shoe store to the Theatre building where he has plenty room to display his large stock of new goods.

Miss Selma Fischer, granddaughter of H. B. Marschall, celebrated her sixteenth birthday Oct. 12. She received the hearty congratulations of her friends and was the recipient of many lovely gifts.

Mrs. A. P. Hein recently made a trip to Benton Harbor, Michigan, to visit her sister who owns a summer home in that vicinity. While she encountered a fierce storm, but returned to her family safe and sound.

The Parent Teacher's Association opening took place Thursday evening, Oct. 13, at the grammar school. They had a very interesting program and the affair was well attended for the first meeting of the season. Owing to the illness of Rev. Render, Mrs. Capot officiated.

The home that Mrs. Henry Wolf has built in memory of her husband, Rev. Henry Wolf, is completed at Bensenville, Ill. Rev. and Mrs. J. Maierle moved into it last Friday. It is located on the old minister's home property, along side the orphanage. Mrs. Wolf wishes to thank all those who so kindly donated money instead of flowers for her husband's funeral, especially Dr. Edward Miers. There is still more room for such memorials.

Gym work is being taken up in earnest in Bensenville high school. The gymnasium itself offers plenty of reasons for the keen enjoyment which the students are getting from these physical training exercises. Boys' gym periods are Mondays and Wednesdays, girls' Tuesdays and Thursdays.

Another stretch of sidewalk from Pine avenue to First avenue on the west side of York street is being put in this week and will be a great benefit to school children going to school.

Rev. Render was sick last week and unable to attend the P. T. A. meeting on account of doctors orders to remain quiet a few days. However, he was able to attend the Sunday services and is at this time getting along nicely.

For Sale—Fine used Howard piano in good condition, a real buy at \$110.00. Terms if desired. Marie Schaefer, 1436 Miner street, Des Plaines, Ill.

Those who attended the First Evangelical church at Bensenville Sunday morning were very much impressed with the talk of "Uncle Joe" Meredith, who at that meeting began his series of meetings which will continue till October 30. Every evening at 7:30 he will arrive from Chicago, deliver a message to his audience and then return home as he must be at the microphone at 7 a.m. daily. Vivian M. Graves, soloist will also be present and have charge of the music.

It is a treat to hear "Uncle Joe," whose heart and soul is in his work, deliver his message regarding the Past, Present and Future and every one, regardless of denomination, sect or creed will enjoy hearing him as well as enjoy the musical talent of the singer, who Bensenville had the opportunity of hearing her last year.

For several reasons James Tomerson, our popular shoe man has been unable to move into his new quarters. To begin with the new store fixtures are not as yet in

place and then the streets between his old stand and the new store in the Theatre building have been almost impassable on account of the paving. Many are daily asking when Mr. Tomchek will be in his new place and for the information of his many customers he asked us to say that just as soon as he can get the heavy machinery into the new place he will move to the new store. His large new stock is already stored there but it would be impossible to unpack them and place on the shelves in the new place and operate his repair shop on Addison street, at the same time. Mr. Tomchek is going to occupy the new place at the earliest possible moment.

Mr. Dan Craig of Des Moines, Iowa, the contractor who put in the sanitary and storm sewer systems in Bensenville is finishing up the odd ends of his Bensenville work and having secured another contract over in Iowa will move his machinery some time this week. Mr. Craig has learned to like our village and our people and expressed the hope that additional territory would soon be annexed to Bensenville and more work opened up here so that he might bring his big force of men back and be instrumental in making Bensenville "Bigger and Nicer" as the years go by.

Carrots are a good source of vitamins. In winter, when they are older and have been stored a long time, they may lose some of vitamin C, but they are still valuable for their minerals and for vitamins A and B.

Don't have the same menu every time you entertain. Plan several good "company" menus, according to the season of the year. If the same people come often to your home, it's a good plan to have some record of what is served to guests each time, or you may duplicate your menus.

The Radio World Takes Off
its hat to the greatest
radio value it ever saw.

To Crosley resources, experience, leadership and mass manufacturing methods comes the big factor that leads to paramount achievement — license to use the best of radio patents — license to work with and to take full advantage of the research and study of the greatest of their kind—The Radio Corporation of America, The General Electric Co., The Westinghouse Co., The American Telephone & Telegraph Co., and The Hazeltine and Latour Corporations.

This Bandbox is totally shielded. Copper shields cover coils, cadmium-plated steel covers the condensers. Wiring is completely shielded from both. The Bandbox is completely balanced. It is a genuine neutrodyne.

The Bandbox is equipped with Acumulators—secondary adjustments to be used only on weak, distant signals and when cruising for far-away stations that ordinary one dial sets miss entirely. The "Bandbox" possesses a volume control by which strong local dancing volume can be reduced to a whisper without distortion or detuning.

The Bandbox operates with a single tuning knob which turns an illuminated dial. This feature for shadowy corners is greatly appreciated.

The Bandbox is easily installed in console cabinets, being so designed that a few screws removed from the escutcheon and the bottom releases chassis from the outside metal case.

Crosley Radio is licensed only for Radio Amateur, Experimental and Broadcast Reception
